
JUNIOR World

*Megan Werner, Director
North American Limousin Junior Association*

Hello juniors! Winter is now upon us and the holidays are fast approaching! I hope everyone enjoyed their turkey and all the fixings, and short break from classes. I know I did! This was the first long break I had back with my family

except for a few short weekends and it was very enjoyable.

I never thought my first semester at college would fly by so quickly. I hope to see A's on everyone's report cards. Now remember, winter chills bring colds and flu so I hope everyone is keeping bundled up and out of the elements as much as possible.

I am looking forward to a longer break spending time with my family over Christmas and seeing my other extended Limousin family in Denver!

I hope everyone has a safe trip and I look forward to seeing you there. **LW**
