

**H**i juniors! I trust everyone is doing well and getting back in the groove after a break from school. I know I was ready for a break from the hustle and bustle of college life. I hope you all had a wonderful Christmas and a great New Year. I know I did. I hope you each know and celebrated the true meaning of Christmas. Hopefully everyone made a New Year's resolution to help promote the Limousin breed and to facilitate it to become the top breed in the world.

I trust those of you who attended the National Western Stock Show in Denver, Colorado, had an enjoyable trip. I enjoyed seeing each and every one of

you there. It was a really big event for the breed with many activities taking place, including the Corner Post and Genetics On Ice. This year, the Corner Post heifer was donated by the Schilling family of Edson, Kansas. The heifer goes by the name of Schilling's WinningTicket. The Schilling family deserves another round of applause.

Of course the Genetics On Ice Benefit Auction is a great financial boost for the junior program. A lot of hard work and planning went into the event again this year. If you see someone who worked on this event please make sure to tell them thanks.

These are just a few of the many things that went on at the National Western

Stock Show. It was great to see all of my Limousin family. Tune into the March issue for full coverage of the event.

I know many of you are probably just like me and not excited to be back in

school. Just hang in there and tough it out. Before you know it, it will be summer, time for school to be out and we will all be meeting in Kansas for the National Junior Limousin Show & Congress.

So long for now!

Nathan Sloan  
Director, North American Limousin Junior Association

## 2009-10 NALJA Officers & Directors
