

LIMI BOOSTER Latest

Hello everyone,

I hope this note finds you warm and not having too much trouble with the weather.

Congratulations to all of the exhibitors and winners at the National Western. You put in the time, spent the money and were there promoting the breed of cattle we love. The ribbons and prizes are sometimes forgotten, but the relationships and the excitement for this great breed of cattle will last a lifetime.

Thank you so much to all who attended our annual Limi-Booster meeting. Several things were covered—gifts for our junior exhibitors this summer in South Dakota, donations for the Genetics On Ice auction, funding and distribution for the grants and scholarships that will be presented, along with a little bit of visiting I'm told.

Many thanks go out to Circle L Limousin and Sugar Bush Limousin for their donations of embryos at the Genetics On Ice auction and to Tubmill Creek and Etherton Farms for purchasing these embryos.

The \$2,125 raised from these donations

goes directly back to our juniors. I know each of these families understand what our purpose is: to support, enable, encourage, and invest in our juniors as they mature and become the people that they want to be in all areas of life.

Please remember to check the NALF Web site for deadlines to apply for the State Grants, Scholarships, and Personal Grants. They will be here before you know it.

We look forward to seeing you in South Dakota, if not before!

Susan Carmichael
President
