

Hello Juniors,
Thank you to everyone who made the Genetics On Ice Benefit Auction such a success. Thank you Deer Valley Farm for your generous donation of the third annual Corner Post Package. Thank you Express Ranches for your winning bid on the Corner Post Package.

Without the wonderful and faithful support of those who donate items to the auction and of those who bid on and purchase the items, the North American Limousin Junior Association (NALJA) would not be able to offer the great experiences that it does. So one more time, THANK YOU!

Congratulations to all of you who made the trip to Denver and helped make the National Western a successful event. Limousin enthusiasts are the greatest.

I was beginning to think winter would last forever, but spring is almost here. It's a busy and exciting season. With new

calves coming and getting the showstring ready to hit the road, who could ask for anything more? Just don't forget to show your appreciation to your parents, aunts, uncles and grandparents for all of their help and encouragement.

As busy as this time of year is, don't forget to make plans for Amarillo, Texas. Preparations are underway to make the Texas Shindig 2 the best Junior Nationals ever. The list of reasons to attend is endless. Great people, great cattle and great memories are just the icing on the cake. The Texas Shindig 2 will be an awesome experience. I'm counting the days until I see you there.

Be sure to contact a junior director with any ideas or questions you might have. We are always glad to hear from you. **LW**
