

JUNIOR World

*by Nathan Hicks, Midway, KY
North American Limousin
Junior Association Director*

Hello everyone,
I hope the school year is going well. It's time for midterms to begin and fall shows to start. It's

a time for everyone to see each other again and enjoy everyone's friendship. It is a great time of year, the American Royal just ended and the North American is getting ready to start.

I encourage everyone to try and attend the North American. Having lived in Kentucky, and just down the road from Louisville all my life, I have been able to experience this great event every year. The North American is one of the biggest livestock shows not only in the country, but in the world. You get to meet and become great friends with others in the Limousin breed, as well as others cattle breeders from across the nation.

There are many things to do at the North American, such as the PRCA rodeo and one of the largest trade shows you will ever see. To top things off, there is the livestock show. It is one of the best times you will ever have.

If you decide to come to Louisville, Kentucky, this fall be sure to come up to the NALJA board members and say hello. We always look forward to visiting with fellow NALJA members.

I hope everyone has a good rest of the semester, and I hope to see you very soon.
