

by Mindi Ferguson
NALJA Secretary

Hello juniors, I hope this finds you reflecting on a great NALJA-filled summer. I enjoyed spending time getting to know those of you who attended Junior Nationals in West Monroe, Louisiana. As summer ends and autumn comes, the days begin to get shorter. This is how the trees “know” to begin getting ready for winter. It reminds us it is time to be back at school and attending auctions. Autumn is in the air and it is an exciting season as we watch the fall calves

being born, and the leaves change colors and drop from the trees.

The fall NALJA board of directors meeting will be next month in Oklahoma City, Oklahoma. As the junior board, we look forward to reviewing the past year’s successes and ideas for improvements. Feel free to e-mail me, or any of my fellow board members, with any suggestions you have for NALJA and the board of directors. I will make sure to add your ideas and concerns to our fall meeting agenda. We are here to serve you! I also would like to encourage you to surf the NALF Web site, particularly the junior section, and fill out the survey

by clicking on the “take the NALJA members survey” icon.

Good luck to those of you attending the American Royal and North American International Livestock Exposition shows.

I hope you and your families have a great holiday season and look forward to seeing everyone in Denver at the National Western Stock Show.

Cheers,
Mindi Ferguson
